## ACRYLIC LACQUER SPRAY THE ALL-PURPOSES KOBE ACRYLIC LACQUER

KOBE Acrylic lacquer spray is formulated on the nitrocellulose and acrylic resin to give the best aerosol quality product. It is quick drying, high gloss and has excellent adhesion on any surfaces and also give a new look to any office equipments or even any household appliances. You can spray on any simple house furniture, table, chair, toy etc.

### Directions for use

1. Clean surface thoroughly to be free from rust, dirt and grease.
2. Apply the right Primer Colors to the right surfacers.
3. Shake can vigorously for at least 30 seconds before use.
4. Spray from a distance of about 1 foot and shake periodically during spray.
5. for better result, apply several thin coatings with an interval of 10 minutes and several thin coats are better than one heavy coat.
6. Before storing leftover paint, ensure that the valve is not clogged by turning can upside down and pushing spray head for approximately 2 seconds.

### Caution

DO not spray near fire or open flame, do not store above 40 °C, spray in a well ventilated area, do not throw away or incinerate can.
